Frail Blood Kindle Edition Jo Robertson

Frail Blood was full of social issues, who-done-its, and the passion of two people for each other. The love scenes were written tastefully. The combination of being in court and traveling kept my attention. I really loved this book. I look forward to reading more books by Jo Robertson.

James Patterson is primarily known for his Alex Cross and Women ' s Murder Club series. The NYPD Red series, which he co-authors with Marshall Karp, is quietly becoming one of the most favoured by readers and the latest book hits bookshelves this month. Karp is an excellent writer and is one of the best series. Only 6 books in so a great series to read over the holiday season.

Romantic, compelling and brimming with sexual tension, 'The Guest' (Book #1 of THE TWO VAMPIRES series) by M.D. BOWDEN will imprint on your mind and leave you with a thirst for more. THE TWO VAMPIRES series: #1 The Guest #2 The Change #3 The Moors - Part 1 Coming soon: #4 The Moors - Part 2 Sarah lives in a small Canadian town with her two daughters. When her husband disappears the same night she meets a beautiful and charismatic man her world is thrown into turmoil. What has happened to Jo? Who is this sexy mysterious man? As Sarah tries to answer these questions her life takes a dangerous turn... Warning: Contains sexual scenes and violence, aimed at readers of 18+ years. Extract from 'THE TWO VAMPIRES' Jo came awake slowly. He was faced with dappled green and brown light and he was confused. His throat hurt and his head felt fuzzy. He was very, very thirsty. Where on Earth was he? What was going on? In his sleepy haze he thought back to the previous night. He had been going to see his sister. He remembered leaving the house, then some weird visions; vampires and bats and the quarry. He remembered the bat turning into a man. A VAMPIRE. The vampire had snapped his neck. Oh God. He gasped and sat up straight, opening his eyes as he did. He was alone in the woods. He had no idea where or how he'd gotten there. Oh, my throat. He really needed a drink. Looking about he saw trees in every direction. It was daytime but only a little light shone through the branches, even though many leaves littered the forest floor. It must be early morning. He wasn't cold but his eyes hurt, especially when he looked at the light. His skin felt itchy. He needed something. Water. He listened hard and thought he heard trickling nearby. Jo pushed himself to his feet, stumbling, searching for water. After about two-hundred meters he found a small stream and scooped up some water to drink. He sucked it up but it tasted cold and foul. It didn't quench his thirst at all. He turned, seeing someone approaching; a dark man dragging a mute girl by his side. The man looked familiar. Then, with a jolt Jo realised it was the man by his car last night. The man who had snapped his neck. The man who must have killed him. However, he felt no anger towards him, he actually felt strangely attracted. Jo rose and walked towards him. His hair was long, for a man, and his eyes were black. He was tall, about 6'4", with a lean frame. The girl with him looked small and fragile, with red hair and a dainty neck. It looked exquisite. He could see thin veins exposed as Sebastian pulled her head to the side. Jo walked forward fascinated, he reached out his hand and stroked her neck, and then he was overtaken by desire to

quench his thirst. He grabbed her round the waist, yanked aside her head by the hair and felt his teeth lengthening as he sank them into her fine neck. And he drank. Drank for his life. Or his death. The girl's warm blood flowed from her veins down his throat giving him life. He could feel its power rushing into him. Rejuvenating his cells, making his heart race and his senses come alive. His sense of smell came into focus and he breathed in the smell of the girls' blood as he took her life, then released her and she fell to the floor. Slumped, dead, pathetic and used. Wiping his mouth he staggered back and leant against a tree, new sensations overwhelming him. He could feel every inch of his body come into acute awareness. He could feel the redheaded girls' blood travelling to the extremities of his body, rushing through his veins to his internal organs, his brain and even his toes. As it reached his soles he could feel the earth beneath his shoes...

'AN ADDICTIVELY READABLE - AND UNDENIABLY COOL - FANTASY MASTERWORK' Kirkus 'FILTHY, CHARISMATIC AND FRANKLY EXCELLENT' Mark Lawrence BRING ON THE ORCS . . . Jackal is proud to be a Grey Bastard, member of a sworn brotherhood of half-orcs. Unloved and unwanted in civilized society, the Bastards eke out a hard life in the desolate no-man's-land called the Lots, protecting frail and noble human civilization from invading bands of vicious full-blooded orcs. But as Jackal is soon to learn, his pride may be misplaced. Because a dark secret lies at the heart of the Bastards' existence - one that reveals a horrifying truth behind humanity's tenuous peace with the orcs, and exposes a grave danger on the horizon. On the heels of the ultimate betrayal, Jackal must scramble to stop a devastating invasion - even as he wonders where his true loyalties lie. A standout adventure fantasy debut that's down, dirty and damn good fun - perfect for fans of Joe Abercrombie, Mark Lawrence, Markus Heitz's Dwarves series and Stan Nicholl's Orcs series. 'A gritty adventure with a fantastic, foul-mouthed voice . . . Fans of Abercrombie's The First Law . . . will like this a lot' Django Wexler 'A bloody good tale of battle, betrayal and war pigs' Brian McClellan 'Jonathan French has to be lauded for his plot ingenuity, bawdry charm and vicious characters. The Grey Bastards has instantaneously catapulted him into my must-read list' Fantasy Book Critic 'I'd like to raise a tankard to The Grey Bastards' brilliance' Fantasy Faction

The cats who saved Christmas . . . The charming seaside village of Molena Point, California, leads one to expect a quiet traditional Christmas surrounded by family and friends—but not this holiday season. Instead of singing carols and climbing into Christmas trees, Joe Grey, feline P.I., is faced with his most difficult case yet—and that's saying a lot for a wily tomcat who for years has been solving crimes the police can't even crack. At midnight in the deserted gardens of the shopping plaza, a stranger lies dead beneath the village Christmas tree; the only witness to the shooting is a little child. But when the police arrive, summoned by an anonymous phone call of feline origin, both the body and the child have disappeared. As police scramble for leads, the grey tomcat, his tabby lady, and their tortoiseshell pal, Kit, launch their own unique investigation. Together Joe Grey, Dulcie, and Kit face their most heartbreaking case yet as they care for the child who may be the killer's next target. Trying to sort out perplexing clues amidst the happiness of the season, they shadow a cast of colorful characters. But neither the police nor their unknown feline assistants are aware that they might have stumbled over the murderer and never known it, until an electrifying final scene when the killer's identity is revealed. For years Shirley Rousseau Murphy has written tales that have delighted readers and critics alike. With her lyrical prose and fast-paced plotting, Murphy has created another delightfully absorbing trip to a magical place populated by unforgettable characters whom readers have come to think of as friends.
