with HealWell HealWell is a new light solution for patient
rooms, developed specifically to address people's natural
responses to light. It provides light that is tuned to support the
biological clock and creates a pleasant ambience for patients
and visitors, thus supporting the healing environment.

~~HealWell - A new lighting solution for patient rooms~~

HealWell aligns patient room lighting automatically with our
human circadian rhythm to help hospital patients sleep better,
feel happier and heal faster. HealWell takes an evidence-
based approach to lighting with ceiling modules simulating
daylight rhythms with dynamic light levels and tones while
providing excellent visibility for medical examinations.
