Project Cost Management - Overrun Isn't it ironical to talk about cost management - overrun on 1st day of month!! 1st of the month is the day most of us are richer than rest of the days in a month :-)

Project Cost Management is one of my favorite areas, right after Human Resources Management.

Project Cost Management - Overrun

In addition to the project goals that the project manager has to oversee, the control of various costs is also a very important task for any project. Project management would not be effective at all if a project manager fails in this respect, as it would essentially determine whether or not your organization would make a profit or loss.
